

Dear Parent/Caregiver,

Re: Academic Alliance

At Baldivis Secondary College we believe in giving all students every possible opportunity to succeed. It is evident that some students would benefit from a session outside of school hours where they can access the support and expertise of teachers to complete homework and assignments to the best of their ability and in a timely manner.

As such, we would like to offer the 'Academic Alliance' on Monday's after school from 2.45pm to 3.45pm in the library. An attendance record will be kept of all students who attend. This will be a time when students can ask teachers questions about work, continue with assignments, complete set homework tasks or revise for upcoming assessments.

The Academic Alliance session will conclude and students dismissed from the front of the College at 3.45pm. It is the responsibility of parents/caregivers to ensure that their child has a way home. If your child is interested in attending the 'Academic Alliance' on Mondays after school, please return the slip below. We will commence on Monday 9th March 2015.
