

Uniform Policy

Wearing the college uniform plays an important part in establishing a positive community identity and contributes to the creation of an appropriate work ethic. Acceptance of enrolment at Baldivis Secondary College assumes an agreement between the parent/guardian and the enrolling student that the student will dress in accordance with the college's uniform policy. Every student is expected to comply with the College Uniform Policy in the same way that they are expected to comply with the rules relating to classroom behaviour, absences and so on.

The college uniform has been developed in consultation with the College Council, P&C and other members of the college community including students and college representatives.

Students are to **wear the designated uniform during college hours, to and from college and while attending college excursions**. Parents/guardians are asked to co-operate by ensuring that students wear their uniform to college each day.

Students are required to change into the relevant uniform when participating in sport, dance or physical education classes, training sessions or competitions.

Students who have Period 1 Physical Education or Dance classes MUST arrive in college uniform and then change at the start of Period 1. For Period 5 classes, students must change back into college uniform at the end of the lesson.

It is the expectation that students will be dressed in uniforms that are neat and tidy at all times. Students should ascertain their clothing needs for any particular day and make the necessary arrangements.

Consequences of Breaching the College Uniform Policy

- When a student is out of uniform, they will be asked to report to Student Services to change or remove the non-uniform item, or have a parent/guardian contacted to deliver appropriate uniform items. The item will be placed into a bag, clearly labeled with the date, the name of the teacher and the student. The bagged item will be locked in a designated uniform cupboard at Student Services and can be collected at the end of the day.
- Students out of college uniform who **refuse** to remove and/or change uniform item/s will be asked to report to Student Services to discuss the issue with the Program Coordinator (Student Services). The item will be placed into a bag, clearly labeled with the date, the name of the teacher and the student. The bagged item will be locked in a designated uniform cupboard.
- In the case of a **first breach** of the College Uniform Policy, the student can pick up the item at the end of the day from Student Services. The name of the student will be recorded by the Student Services school officer on an electronic spreadsheet on the shared drive in case there are further breaches of this policy.
- An Info Sheet will be completed with a letter home request so that parents are informed that their son/daughter has breached the College Uniform Policy and also **failed to follow the directions of a teacher**.
- **A second breach** of the College Uniform Policy will result in the non-uniform item being confiscated, bagged and stored as above, and parents being contacted by letter / telephone by the Program Coordinator (Student Services). At this point, confiscated items are to be collected by a parent/guardian.
- **A third breach** of these guidelines may result in (but not limited to) a student being denied the opportunity to:
 - attend College social events
 - participate in extra-curricular events such as the Interschool Athletics Carnival, YOH Fest, student tours, as well as optional (non-course related) camps and excursions.
