## 2018 TAFE Profile Courses

|                       | Certificate II - Select one Certificate from this list |  |                                 |
|-----------------------|--|--|---------------------------------|
| General English       | Cert II in Business                                    | Cert II in Sampling and Measurement    | Cert II in Engineering Pathways |
| Mathematics Essential | Cert II in Conservation and Land Management            | Cert II in Visual Arts (CAD focus)     | Cert II In Music Industry       |
| Career and Enterprise | Cert II in Hospitality                                 | Cert II in Creative Industries (Media) | Cert II in Sport Coaching       |
| ADWPL                 |  |  |                                 |
| TAFE                  |  |  |                                 |

Applications will be open in June and these will be advertised on Connect and through Tutorial classes.

Online application process, and will include:

1. Resume
2. USI
3. Semester 1 report

TAFE will notify students by September whether successful or not in gaining a place. The College is independent in the process of determining successful applications.

Year 11 ATAR students cannot apply for Profile Courses. If General or VET students successfully apply they will be placed into the TAFE Profile Courses.
