

HOW TO USE THE EVIDENCE GUIDES

STEPS

1	2	3	4	5	6
Using the Contents Page find the relevant table/s in the Communication Skills and Maths Skills Evidence Guides <div style="text-align: center;">▼</div>	Find the subjects or vocational education and training qualification you studied in the first column. <div style="text-align: center;">▼</div>	Look at the next columns to see what score you obtained. <div style="text-align: center;">▼</div>	Look at how many “dots” you obtained for your score and choose the highest communications and maths skills benchmarks. <div style="text-align: center;">▼</div>	Using the TAFEWA Full-time Studies Guide , (on line or hard copy), select the course/s you are interested in applying for. Note 1: Under each course listing, there is a sub heading of Entrance Requirements . This is where you will find the communication and maths skills benchmarks. ● ●● ●●● ●●●● Note 2: Some bridging courses do not have Entrance Requirements and applicants are required to apply directly to their local college. <div style="text-align: center;">▼</div>	You meet the Entrance Requirement

EXAMPLE

Year 11 2003 TABLE 1 (For people who completed high school in WA in 1988 or later) & TABLE 9 (Other possible evidence of communication skills)	a) Course in <i>English</i> b) D Code subject <i>Foundations of Mathematics</i> c) Level of Achievement <i>Society & Environment</i> d) Level of Achievement <i>Science</i> e) D Code subject <i>Australian Studies</i>	3.5 2 3M B C	<div style="text-align: center;">● Communications skills</div> <div style="text-align: center;">●● Maths skills</div> <div style="text-align: center;">●●● Communications skills</div> <div style="text-align: center;">●●● Communications skills</div> <div style="text-align: center;">●●●● Communications skills</div>	1.
