

## Parent Nominees for College Board 2016-2018

### David Bennett

David is a Design, Technology and Information Systems teacher with the WA Department of Education. He has served as member on a number of school boards/councils in both the public and private sector. He has a strong background in education and post-graduate qualifications in secondary teaching and public sector management. David currently has a daughter in Year 8.

### Dean Hird

Dean is a Sergeant with the WA Police Service. Dean was a member of the inaugural Baldivis Secondary College Board and preceding School Council. He has been a member of numerous other committees in both the government and non-government sectors. Dean currently has a daughter in Year 11.

### Alan Macleod

Alan is HSQE and TS Manager with West Coast Energy. Alan was a member of the inaugural Baldivis Secondary College Board and preceding School Council. He is also a member of the Settlers Hills Primary School Board. Alan has significant experience with the development and implementation of due diligence and governance arrangements with medium to large businesses and corporate bodies. Alan has experience with the development of strategic plans and processes, including the formal auditing and assessment of the adequacy of these strategies. Alan currently has a daughter in Year 11.

### Delia Makking-Robinson

Delia is a Senior Systems Applications and Products Analyst with CSC Australia. Delia was a member of the Public Consultation Group responsible for the visioning of a secondary school in Baldivis. She was also a member of the inaugural Baldivis Secondary College Board and preceding School Council. Delia has a background in financial management and IT and is passionate about the college and its development and direction. Delia currently has two children attending Baldivis Secondary College; a son in Year 10 and daughter in Year 8.

## Parent Nominees for College Board 2016-2018

### Simon Miller

Simon is a Specialist Civil Engineer with Rio Tinto. In 2015 Carl joined the Baldivis College Board when a vacancy arose. By combining skills generated over many years, including time spent on boards of management, committees, local government and professionally, Simon believes he can bring enormous knowledge in how to lead the school through its next 3 years, as it transitions from a start-up school, to a leader in the community. Simon has a wealth of skills in the areas of budgeting, management, business improvement and planning. Simon currently has a son in Year 10 and a daughter in Year 8.

### Tim O'Keeffe

Tim is a retired School Principal, with 33 years' experience working in public schools. He is a past Principal of Baldivis Primary School and Associate Principal of Settlers Primary School. Tim was the Chair of the inaugural Baldivis Secondary College Board and a member of the preceding School Council. He has also had experience on the School Board of Settlers Primary School.

He has a Master of Education and has undertaken School Board Training both as a Principal and as a parent. He has lived in the Baldivis area for the

### Carl Sanders

Carl Sanders is a Business Development Manager for Retravision. In 2015 Carl joined the Baldivis College Board when a vacancy arose. As a Business Development Manager and President of the Peel Junior Cricket Association as well as a committee member for CICC Community Junior Cricket Council (based at the WACA) Carl has a depth of skills in marketing, advertising, sponsorship and strategic planning. Carl has been a strong advocate for the fledgling Baldivis Cricket Academy. Carl currently has a son in Year 8.
