STAYING CONNECTED WITH YOUR LEARNING

Baldivis Secondary College is committed to providing high quality teaching and learning for all students.

Whilst you are unable to be with us in person, we have made arrangements for you to have access to the same classroom activities and learning opportunities as your peers.

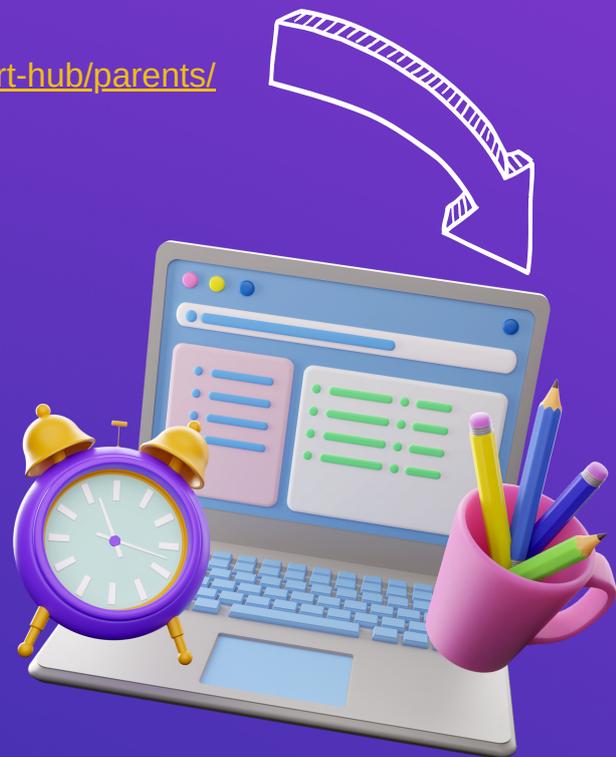

Information for students and parents regarding remote learning and guides for using Connect are available here:

- If you don't understand what you need to do, please email your teacher to ask for help.
- Once you have completed all your work for your MESH classes, check your elective classes.
- When you return to school, bring all completed work with you to go through with your teachers.
