

Consent for Release and Exchange Information

We would like to be able to contact your child's current school and any other agencies that have been assisting you and your child. We want to make sure that we make the transition to the Specialised Learning Program as smooth as possible for your child.

This information will be used and shared with the ASLP team and other appropriate agencies as necessary to assess, support, and enhance your child's educational outcomes and will include sharing digital work records and samples, which may contain photos. The ongoing exchange of information will continue while your child is being assessed for enrolment in the Autism Specialised Learning Program.

If you would like further information or have any concerns, please telephone the college on 9523 3600.

If you should choose to withdraw your consent, please advise the college in writing.
