ABOUT COMMUNICATION

COMMUNICATION

School communities thrive on open communication wherein staff, students, parents and carers have opportunities to share good news, discuss issues and maintain an open dialogue.

THE P&C

Parents & Citizens Associations are established to work in partnership with the principal and staff to support student success.

P&C meetings are held twice a term in Weeks 3 and 7. Each meeting has a focus area on some aspect of the school.

**COMMUNICATION IS AN
IMPORTANT PART OF YOUR
CHILD'S EDUCATION.**

CONNECT

Connect is a secure online environment developed by the Department of Education for staff, students and parents in public schools. It is a tool our teachers use to deliver content to the students via an online classroom.

Through Connect students are able to share with you what they are learning about, submit assignments and discuss issues together online anywhere, anytime.

For parents, Connect provides easy access to information relevant to your child's classes and learning such as assessments, teacher feedback and attendance data.

Connect is also used to keep students and parents updated with important information. Notices for things like upcoming events, excursions, classroom activities etc. are sent via email or via a push notification on your phone.

The Connect Now app can be downloaded from the [Apple App Store](#) or [Google Play](#).
